

New Century School Policy No. 215

Adopted: 01.23.2023

Revised:

215 Policy Review Policy

I. PURPOSE

To review NCS policies and ensure that all policies are reviewed promptly and compliant with statute, including policies that require an annual review.

II. POLICY STATEMENT

To meet the expectations of a timely review, a Policy Review Plan has been developed that cycles existing policies into a three-year rotation by school year. All approved policies remain in effect until the NCS Board adopts a new or revised policy.

III. EXISTING POLICIES

The governance committee will review ten to fifteen policies every month; once a policy requires a change or an update, the Board will be notified to review the policy and approve it.

LEGAL UPDATES TO POLICIES

Law firms or other legal authorities may be consulted to review the policies that include a changed law. The Board will ensure that all policies are compliant to the law.

IV. NEW POLICIES

As new policies are created, the recommending party would determine the series category closely related to the policy and bring it to the committee for consideration. Upon School Board approval, new policies will be added to the Policy Review Plan.

V. POLICY SERIES

1. 100 - School District
2. 200 – Board of Directors

3. 300 - Administration
4. 400 - Personnel
5. 500 - Students
