- Children at New Century School will participate in field opportunities throughout the year. Field experiences will be organized by the children with the support of school staff and supervised by an adult. These excursions allow the children to build upon their work in the educational environment and will include involvement in the community. Field opportunities are an outgrowth of learning activities pertaining to the curriculum and are considered essential to the program at the school. By signing below, you are giving permission for your child to participate in supervised field experiences and other activities as designated and/or approved by the staff of New Century School that will occur outside of the school building.

A notice and explanation of each field trip will be sent home prior to the activity. The parent will have an opportunity to refuse a field trip at any time.
